1. What is the difference between a Same Day Edit and a Post-Full Day Highlights?

A Same Day Edit will normally consist of all the highlights of the events that happen from the morning session to the 1st march In and will be shown before the 2nd march In.

A Post Full Day Highlights will consist highlights of all the events that was filmed on that day which will also include events after the 2nd march In.

2. Can I have a Same Day Edit if I am holding a lunch banquet?

Yes. We may even insert your Solemnization and 1st March in for you as well.

3. Can I split my **Half Day Package** into 2 shifts?

Yes, You are allow to split your **Half Day Package** hours into 2 shifts in a day for your dinner banquet, but there will be a Split Shift Charge of \$300. For Standard and Full package, there will no additional charges.

4. Do you provide photography services?

No, currently we only provide videography services.

5. How soon must I confirm our booking with you and what are the payment terms?

Our bookings are based on first come first basis, so it will be good if you can lock down your confirmation as soon as possible!

A mandatory 50% deposit is required to confirm your booking and the rest will be collected on the actual wedding day itself.

(For services below \$1000, full payment will be collected for confirmation)

6. Can I opt for 1 Videographer only?

No, we worked together as a team to ensure the best results of our videos for our couples.

We do not wish to compromise the quality of our videos by reducing manpower.
