Service 1: PHOTOBOOTH

Description

An automated photo booth with voice prompt features a real booth (rectangular box machine) & NOT just a tripod. It provides a clean & clutter free setup. Your guest will enjoy taking photos, wearing varieties of props & creating a memorable experience in your event.

Setup

The photobooth is equipped with a professional DSLR camera, studio lighting, physical backdrop, high quality photo printers, and live view monitor that display the live view of guests during and after each shot. Our staff will assist them in taking different pictures. Photos are printed instantly with the customized photo overlay design that matches your theme.

Staffs will oversee the whole operation; assist in printing and distribution of photos. Space requirement is 2.2m x2.2m area with nearby power outlet of 13amp, 2 chairs, long table for props display and tent or shelter for outdoor events.

Inclusive:

- Multiple Instant 4R/Bookmark photo prints
- 1x Standard Backdrop
- 1x customized photo overlay design in 2, 3, 4 shots
- Photo sleeves
- On-site staffs
- Digital copy & online photo gallery
- Automated photobooth with voice prompt
- DSLR camera, studio lighting & live view monitor
- Wide range of props
