Justrealle Photography

A man and a woman in formal black attire stand in a dark room. The man is on the left, looking towards the right. The woman is on the right, looking towards the left. Their shadows are cast onto a light-colored wall behind them, creating a silhouette effect. The lighting is dramatic, highlighting the contours of their faces and clothing against the dark background.

Hey!

I'm Jazreel

Capturing moments isn't the only thing I hope to achieve, I hope to help create wonderful memories through the time I spend with you during your shoot. To be able to look back and remember the time you lay on the floor together, catching that beam of light.

Every shoot to me is different, I love to experiment and try new ways to help you express who you are.

Thank you for taking the time off to look through the rate card! I hope that this would not just give you an idea of the types of photos I take but also to spark new ideas for your shoot!
