## WEDDING PACKAGES

Fresh seafood is at the core of Red House Seafood menus and we take care in sourcing ingredients from sustainable suppliers around the world; every week, shipments of seafood harvested from the boats of fishermen in the North Sea, Indian Ocean and South China sea arrive at our restaurants.

Inspired by the taste of Nanyang, our culinary team pays homage to the authentic flavours of cuisines from various Chinese dialect groups, while integrating elements of Malay, Indian and Peranakan traditions into the cooking.
