

WEDDINGS AT THE DRAGON CHAMBER

Celebrate the greatest day of your union, in a space that immortalises this special occasion. Whether it's an intimate affair for your closest friends and family or a lavish gathering — the solemnisation of your love deserves a genuine celebration and the care of an experienced, devoted team.

Inspired by a provocative past of old-time Chinatown gambling dens, notorious secret society hangouts and unconventional Chinese dishes, this is a venue that strikes the perfect balance between intimacy and extravagance, tradition and modernity.

THE SOLEMNISATION

龍堂

Illuminated by warm light overhead, an eclectic display of alcohol bottles and traditional medical cabinets adorn the main wall at our bar. Decorated with bespoke floral arrangements by our partner, Bliss, recite your vows against a stunning backdrop of nostalgic mystique, accentuated by vibrant botanical elements.

THE RECEPTION

Designed with a sheer fanaticism of re-creating tradition, the Main Dining Room is a modern take on the dark underbelly of 1980s Singapore.

Recite your vows in front of a bar reminiscent of traditional medical cabinets and rejoice over your special day amidst the mesmerising dragon murals. Unorthodox, visionary and all-around whimsical, your special day is truly one for the books.

THE TEA CEREMONY

The Private Dining Room evokes a romantic allure — a tranquil enclave perfect for the most intimate of weddings and tea ceremonies. Dressed in cherry red hues from the carpet to the plush booth seats, light-hearted and quirky depictions of Chinese landscape paintings adorn the walls.

BEFORE THE WEDDING

Here, the welcoming presence of the Kopitiam draws you in. A truly unique backdrop for a wedding photoshoot — every touchpoint is evocative of local heritage, accentuated by a polished touch of bespoke decor.

Our intricately-designed walls, traditional marble top tables and wooden chairs are reminiscent of a nostalgic yesteryear; of lively chatter, and the simple pleasures of admiring relics of the past.

THE CUISINE

Our menu takes you on a bold and adventurous journey into the unexpected, offering unique spins on traditional comfort foods and guerrilla-style dishes that explode with flavours and textures. Our mantra is simple: unforgettable. For your special day, a bespoke menu will be tailored to your tastes and preferences with every dish crafted with exquisite care and attention to detail. Every bite will be a moment to savour and remember, ensuring that your celebration is truly indelible.
