Spaces

Dining Room & Balcony

The Summerhouse evokes a sense of homely yet stylish comfort. The timberwork and fretwork convey the classic elegance of clean geometric lines, and accentuate the stately proportions of the bungalow.

A key feature that was introduced to the upper-story dining hall is the mirrored ceiling of tapered and angled panes echoing the geometric patterns on the original windows, and bolstering the natural light coming into the space.

Capacity: up to 180 guests

Spaces

Private Bridal Room

With its clean, simple lines and sunshine streaming through the windows, there's few things dreamier in life than The Summerhouse's private bridal room.

Located within the Dining Room, our spacious bridal room is fully air-conditioned with direct access to the restroom.

Spaces

Garden Gazebo & Courtyard

Nestled in the lush surrounds of greens and floral hues, The Summerhouse Garden Gazebo is the picture-perfect scene where vows are exchanged and love, sealed for eternity.

On the other end, the Courtyard is a versatile space that can accommodate the setting up of any event with ease.

Capacity:

- Courtyard: 200 guests
- Garden Solemnisation: 50 guests
